Sir/Madam:

This is a petition to nullify a Request for entry of Certificate of Correction in the above-identified patent filed under Certificate of Mailing dated on or about May 10, 2005.

The Request for Certificate of Correction was filed by attorney Edward C. Kwok. On information and belief attorney Kwok learned of a typographical error in the serial number of a parent application and filed the request without the client's advance knowledge or consent.

For that reason, petitioner requests that the "Petition for Entry of Certificate of Correction" previously filed by attorney Kwok be nullified and vacated without decision on the merits of the requested Certificate of Correction.

Please charge any shortage in fees due in connection with the filing of this paper, to
